CEUTISMILE®

Soothing & Moisturizing Baby Cream

Keeps Your Baby Smiling

Manufactured by ZOLOX

About CEUTISMILE

CEUTISMILE Cream is a gentle soothing and moisturizing cream specially formulated to protect delicate baby skin from irritation and diaper rash. Its unique blend of skin-conditioning ingredients helps restore the skin barrier, relieve redness, and maintain healthy, hydrated skin.

The formula is suitable for daily use and provides long-lasting protection against moisture and friction that may lead to skin irritation.

Product Composition

Key Active Ingredients

Zinc Oxide 10%

Panthenol 2%

Lanolin 4%

Olive Oil

Beeswax 4%

Contains 22 carefully selected active ingredients to nourish and protect sensitive skin.

Dosage Form

Topical Cream

Product Benefits
