

KEMSTICAL®

Healthy Growth & Bone Support Formula

The Way of Healthy Growth

Manufactured by ZOLOX

About the Product

KEMSTICAL is a comprehensive dietary supplement formulated to support healthy growth, bone development, and immune function in children, adolescents, and adults. It combines essential minerals and vitamins—including Calcium, Magnesium, Zinc, Vitamin D3, and Vitamin B12—to help meet daily nutritional requirements and promote overall health.

Its balanced formula contributes to strong bones and teeth, healthy muscle function, normal nerve activity, and optimal growth during childhood.

Product Composition

Active Ingredients (Per Recommended Dose)

Calcium Carbonate (CaCO_3) – 300 mg

Magnesium – 125 mg

Zinc – 6 mg

Vitamin D3 – 400 IU

Vitamin B12 – 1000 mcg

Dosage Form

Oral Syrup

Pack Size

120 ml bottle with natural strawberry flavor.

Product Benefits

KEMSTICAL helps to:

Support healthy bone growth and development.

Improve calcium absorption through Vitamin D3.

Maintain normal muscle and nerve function.

Support healthy immune function.

Help prevent nutritional deficiencies.

Promote healthy growth in children.

Support energy metabolism through Vitamin B12.

Maintain healthy magnesium and zinc levels.

Indications

KEMSTICAL may be recommended for:

Nutritional deficiencies, especially Calcium and Vitamin D deficiency.

Osteoporosis support.

Hypoparathyroidism.

Low blood magnesium levels.

Vitamin B12 deficiency.

Growth delay in children.

Zinc deficiency associated with reduced immunity and increased susceptibility to infections.

Scientific Evidence / Clinical Studies

Magnesium Intake and Bone Mineral Content in Healthy Children

Presented at

Pediatric Academic Societies Meeting

Publication Year

2013

Study Design

Observational dietary and mineral absorption study using stable isotope techniques.

Participants

63 healthy children aged 4–8 years.

Methodology

Researchers evaluated magnesium and calcium intake, absorption, and bone mineral density using DEXA scans.

Key Findings

Magnesium intake and absorption were stronger predictors of bone health than calcium intake alone.

Children with higher magnesium intake demonstrated significantly greater Bone Mineral Content (BMC).

Adequate magnesium intake plays an important role in healthy skeletal development.

Author

Steven A. Abrams et al.

How the Ingredients Work

Calcium Carbonate

Provides elemental calcium essential for developing and maintaining strong bones and teeth.

Magnesium

Supports bone mineralization, muscle relaxation, nerve function, and calcium metabolism.

Zinc

Contributes to normal growth, immune function, wound healing, and healthy cell development.

Vitamin D3

Enhances calcium absorption and supports healthy bones, muscles, and immune function.

Vitamin B12

Supports red blood cell formation, nervous system health, and normal energy metabolism.

Directions for Use / Dosage

Unless otherwise directed by a healthcare professional:

Children over 3 years

10 ml once daily

Adults

10 ml twice daily

Pregnant and Breastfeeding Women

10 ml twice daily, as recommended by a healthcare professional.

Shake well before use.

Storage

Store below 30°C.

Keep in a cool, dry place.

Protect from direct sunlight.

Keep the bottle tightly closed after opening.

Keep out of reach of children.

Warnings & Precautions

Food supplements should not replace a balanced diet.

Do not exceed the recommended daily dose.

Consult your healthcare professional before use during pregnancy, breastfeeding, or if taking other medications.

Do not use if the safety seal is broken.

Keep out of reach of children.

Frequently Asked Questions (FAQ)

Is KEMSTICAL suitable for children?

Yes. It is suitable for children over 3 years of age according to the recommended dosage.

Can adults use KEMSTICAL?

Yes. The formula is suitable for adults who require additional nutritional support.

Does it help support bone growth?

Yes. It contains Calcium, Magnesium, Vitamin D3, and Zinc, which work together to support healthy bone development.

Can it be taken every day?

Yes, when used according to the recommended dosage or your healthcare professional's advice.

What flavor is KEMSTICAL?

Natural Strawberry Flavor, making it more acceptable for children.

Why Choose KEMSTICAL?

- ✓ Complete bone and growth support formula.
- ✓ Contains Calcium, Magnesium, Zinc, Vitamin D3, and Vitamin B12.
- ✓ Supports healthy growth and immunity.
- ✓ Delicious natural strawberry flavor.
- ✓ Suitable for children, adults, and pregnant or breastfeeding women under medical guidance.
- ✓ Manufactured under high-quality standards.

About ZOLOX

ZOLOX is dedicated to developing innovative healthcare products that combine scientific research, premium-quality ingredients, and trusted manufacturing standards. Our mission is to support healthier lives through safe and effective nutritional supplements designed for every stage of life.
